

We have already had at least four of our churches who have held revival services this spring, and I am hearing good reports. We have many more churches with revival meetings scheduled for this summer and fall. Five of those churches are hosting REAP Revivals this summer in partnership with other

churches in our association. There is still time to be a partnering church to help a host church during this season of revival and cooperation. We certainly pray that the Lord will revive His people.

Let me express our gratitude to Parkside Baptist Church for hosting and conducting our VBS Clinic recently. What a wonderful job the people and staff of Parkside did, in introducing the study material and providing training for our churches.

We have created a fan page, in addition to a group page on the social network called Face Book for Grayson Baptist Association. Many of our pastors and church members already use Face Book and have found it to be a very useful tool in getting information to a great many people in a very short amount of time. I hope you will join our page, if you haven't already.

I look forward to seeing you soon and may the Lord's richest blessings be upon you and your church.

In The King's Service,  
Bobby Fletcher

## **WMU/Church Appreciation Luncheon**

Our annual Appreciation Luncheon for all those who help prepare Wednesday meals for the BSM is scheduled for Wednesday, April 28<sup>th</sup>. Our BSM is deeply appreciative of all the work and expense that goes into providing a meal for over a hundred hungry students every week. This is our opportunity to express our gratitude to you. In order to adequately prepare, please RSVP by Monday, April 26<sup>th</sup>. We look forward to seeing you.

## **Summer Enlistment**

High School graduation is only a few weeks away. Every summer we attempt to contact as many high school graduates as possible to encourage them in their walk with the Lord and to invite them to be involved in Baptist Student Ministry if they are planning to attend college. BSM organizations exist on over 100 college campuses in Texas and over 900 campuses through the United States. Please contact us if you know of any students planning to attend any college campus this fall and we will do our best to share with them how they can be involved in serving Christ on the campus through BSM.

## **International Student Ministry**

Josh Burton, our new International Student Minister is available to come to your church or to your group to share about the opportunities we have to minister to students from all over the world attending school right here in Grayson County. To invite Josh – please contact the BSM. Thank you for your support and prayer!
