

Well, it has been one full year since the Lord called me to serve as your Director of Missions. My, how quickly this first year has passed. It is a joy and a pleasure to serve the churches in our Association and to work with our pastors. We have the finest churches and the most godly pastors to be found anywhere.

I am still learning so much about associational work and life, so I appreciate your patience with me as we continue to move forward in the Lord's work.

Summer is almost here. Our students will be out of school soon, Vacation Bible Schools will be taking place, spring and summer revivals are being held, and the Lord's power is being sought in all these endeavors. I eagerly await all the good reports to come. Several churches have already held revivals and crusades with miraculous results that the Lord has brought about.

Another bit of exciting news is that King's Trail Cowboy Church will be constituting officially as a church later this summer. I am so excited for pastor Jason Norton and his people for the mighty work that the Lord is doing in their midst.

I am diligently praying for all our churches and pastors and seeking new ways to serve you. May the Lord bless all of you this summer. I hope to see all of you real soon.

In The King's Service,
Bobby Fletcher

BAPTIST STUDENT MINISTRY

Summer Enlistment

High School graduations are taking place throughout our association this month. Every summer we attempt to contact as many high school graduates as possible to encourage them in their walk with the Lord and to invite them to be involved in Baptist Student Ministry if they are planning to attend college. BSM organizations exist on over 100 college campuses in Texas and over 900 campuses through the United States. Please contact us if you know of any students planning to attend any college campus this fall and we will do our best to share with them how they can be involved in serving Christ on the campus through BSM. You can also register new college students with our statewide BSM organization at www.texasfreshmen.org

International Student Ministry

Josh Burton, our International Student Minister is available to come to your church or to your group to share about the opportunities we have to minister to students from all over the world attending school right here in Grayson County. To invite Josh – please contact the BSM. Thank you for your support and prayer!

P.A.C.E.

P.A.C.E. stands for Post Abortion Counseling and Education and is a Bible study designed to help women who may be struggling with their past decision to abort. It is led by women who have "been there" so they know what you may be going through. Our goal is to help you receive genuine and permanent healing of your post-abortive pain so that you can become the person God has created you to be. A new group will be starting soon. It meets once per week in the evening for about 8-10 weeks. Call or email for specific days and times. Contact Kathy by email katjinx@gmail.com or call 903.818.3173.
