

Our churches are in the midst of Vacation Bible Schools and summer revivals and I am hearing great reports from both. Many salvations and other decisions for Christ are taking place in our churches. Let's remember to lift each other up in prayer daily as we serve the Lord together. There are so many opportunities and challenges,

but our Lord is able and He is willing.

One opportunity is Pecan point Assisted Living Center is looking for someone or a group of people to conduct Sunday Morning worship services at their facility. Another opportunity is a Christian counselor located in Pilot Point is desiring to expand his services in pastoral and family counseling to the Sherman/Denison area. He is a former Southern Baptist pastor with 25 years experience. He is now a full-time marriage and family counselor. He is needing a church in our area that could provide him with space one or two days a week in which to carry out this counseling ministry.

I know that everyone is really busy this summer, but I encourage you to attend our Executive Board meeting at Forest Avenue Baptist Church in Sherman on Tuesday, July 13th, 10:00 a.m. Pastor James Heffington will be preaching. Hope to see you there.

In The King's Service,
Bobby Fletcher

BAPTIST STUDENT MINISTRY

Summer Enlistment

High School graduations have taken place throughout our association this month. Every summer we attempt to contact as many high school graduates as possible to encourage them in their walk with the Lord and to invite them to be involved in Baptist Student Ministry if they are planning to attend college. BSM organizations exist on over 100 college campuses in Texas and over 900 campuses through the United States. Please contact us if you know of any students planning to attend any college campus this fall and we will do our best to share with them how they can be involved in serving Christ on the campus through BSM. You can also register new college students with our statewide BSM organization at www.texasfreshmen.org

International Student Ministry

We are grateful for the response to the pledge cards mailed out and to date have received one one-time contribution of \$150 and four monthly pledges totaling \$150. If you have considered a donation in the past and never committed or would like to support an evangelical mission please consider the International Student Ministry right here in Grayson County!

Please contact us about sharing with your church the work that God is doing through the International Student Ministry. We do have opportunities to help with the ministry, but we also simply want to educate our local churches about what the International Student Ministry is. Programs like senior luncheons or mission spotlights are a favorite to attend, in addition to short segments during your worship service.
