

BSM ROOF RESTORATION

RAISING A ROOF. REACHING THE NEXT GENERATION.

The Baptist Student Ministry (BSM) is one of our most strategic ministries, reaching and discipling students across Grayson County.

Recent ice storms and heavy rains revealed that the building's roof—now **over 20 years old**, must be replaced.

This need is not covered by insurance, and this building belongs to GBA Churches. It's an urgent opportunity for our churches to come together and respond!

◆ The Goal: **\$55,000** | To Open by August ◆
