

BSM Roof Restoration Project

Raising a Roof. Reaching the Next Generation.

The **Baptist Student Ministry (BSM)** is one of our most strategic ministries, reaching and discipling students across Grayson County.

Recent ice storms and heavy rains revealed that the building's roof—now over 20 years old—**must be replaced.**

This need is **not covered by insurance.**

It's an **urgent opportunity** for our churches to come together and respond.

Goal: \$55,000

Timeline: Complete by August

Your gift helps:

- *Restore a space where students hear the Gospel.*
- *Reopen a hub for discipleship and outreach*
